San Jose, Calif., **April 10, 2008**—netPolarity, a leader in global workforce procurement solutions, was recognized for its unparalleled services by onsite teams throughout the country, winning the Platinum Partner Award for the third year in a row from PrO Unlimited, Inc.

PrO Unlimited, Inc., of Boca Raton, Fl., an international provider of Human Capital Management Services, recognizes outstanding staffing supplier partners in its Annual Global Supplier Awards.

In making the awards, PrO Unlimited noted that netPolarity is a partner who has met and exceeded PrO client needs at multiple locations for three years in a row, adding: “The outstanding support and service they continue to provide to a wide array of clients and locations contributed to a unanimous decision.”

The winning companies have all been key contingent-workforce suppliers, selected from a field of more than a thousand providers servicing PrO's Fortune 1000 clients. The winning suppliers were those who achieved the highest customer service rankings on PrO Unlimited's 30-point Supplier Scorecard and were voted on by PrO's onsite teams throughout the country. These companies consistently deliver excellence in contingent staffing and/or project fulfillment across multiple PrO clients.

“Receiving this award for the third year is a tremendous honor to our entire team at netPolarity, which consistently strives to provide the kind of exceptional service that is typically found only at small boutique firms,” said Haixia Zhang, company CEO. “The recognition underscores our commitment to deliver the most talented staff to leading corporations with speed, efficiency and personalized service.”
